The insurer shall within 15 working days after such receipt mail to the insured or other person claiming payments under the plan payment for such benefits or a letter or notice which states the reasons the insurer may have for failing to pay the claim, either in whole or in part, and which also gives the person so notified a written itemization of any documents or other information needed to process the claim or any portions thereof which are not being paid. Where the insurer disputes a portion of the claim, any undisputed portion of the claim shall be paid by the insurer in accordance with this chapter. When all of the listed documents or other information needed to process the claim have been received by the insurer, the insurer shall then have 15 working days within which to process and either mail payment for the claim or a letter or notice denying it, in whole or in part, giving the insured or other person claiming payments under the plan the insurer’s reasons for such denial.
